

Internal Roller Blinds

Decor Blinds is 100% Queensland owned. We aim to provide all our customers with superior quality products and service. Since 1984, we've developed systems and procedures to ensure everything we manufacture, supply and install meets high standards.

Our stylish and versatile roller blind systems give you the highest quality in sun protection available in chain and motorized systems. These can be made individually or multi-linked to suit any situation or configuration.

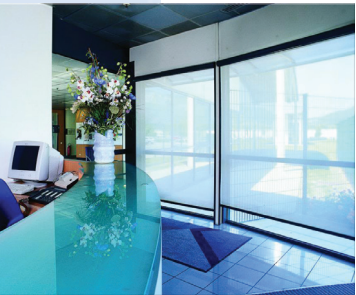

Decor Roller Blinds are ideal for home and office environments. Specialty fabrics are engineered to combat

mould, fading and bacteria. Aesthetically pleasing, our sunscreen shades will protect your furniture, carpet and wall coverings from 95% of the sun's damaging UV rays.

Our extensive fabric range include: PVC free, Polyester and 100% Trevira CS fabrics in transparent, translucent or block-out, metalized and non metalized presenting the ultimate in modern window coverings. We are also proud to say that Decor Blinds is the only company in Australia to offer the new "Ingeo" fabric line, made from 100% renewable plant resources instead of oil.

Decor Blinds can provide a solution for your needs.
